### Letter to Students and Parents

Before anything else, let me welcome you to Math Skills at Beacon! The goal of Math Skills is to solidify your understanding of what you learn in Algebra 1. Math Skills will mirror the Algebra 1 curriculum, as well as supplement and enrich what you are learning while focusing on your present learning needs and goals. Math Skills will be customized for each student so you have the ability to make progress in your most challenging areas of study.

Please, student and parent, sign the bottom of this letter. Please return this letter to me no later than **Wednesday, September 11<sup>th</sup>**. If you would like to speak with me, please know that you are more than welcome to e-mail me or call me. Your education and ideas are very important to me, so feel free to talk to me anytime.

I look forward to a fun and fruitful year working with you. Thank you for your support and cooperation.

Sincerely,

Ms. Lozada
